

GERMAN FEST

Saturday • Tour 10697
July 26, 2008

Join us for Gemütlichkeit (German for genial good fellowship) at **German Fest's 28th Anniversary** in **Milwaukee**. We spend a wonderful Saturday afternoon enjoying **7 stages of continuous entertainment** featuring bands direct from Germany and dance troupes in colorful costumes. Shop for imported German gifts, clothing, jewelry, videos and CDs at the

Williamsburg Marketplatz. Enjoy a gastronomical tour of German foods prepared on the grounds by volunteers: try a Spanferkel or Westphalia ham sandwich, bratwurst, schnitzel, goulash dinner with spaetzle and red cabbage, dumplings, potato pancakes, herring and funnel cakes. Take a break at the Konditorei, a beautifully decorated sidewalk café...THE place to go for a slice of delectable torte or kuchen and a cup of coffee, freshly brewed in the European manner.

Visit the **Culture and Heritage Village** featuring the theme "Festive Celebrations" with displays featuring celebrations from different regions of Germany including broom making, wood turning and carving, illuminators, song and dance performances, genealogy assistance and handcrafters. There will also be a Musikgarten line-up with history, yodeling and lessons, Peggy Mueller and her Button Box and Pomeranian Folk music all under one roof!

Let's not forget the little ones. Bring the kids and grandkids for the **Children's Pretzel Park**. They have supervised arts and crafts where children can make crafts to take home, play German language games or stamp-design a t-shirt. Children especially delight in the afternoon **parade** where they can watch the colorful marching units, bands, members in traditional dress and new and vintage cars as they wind their way through the grounds.

Please note that this tour returns very late at night as we will be at the festival until approximately 10:30 pm.
