

# NATIONWIDE TRAVELERS' SPRING SHOWCASE

at Fox Valley Lutheran High School  
Appleton, Wisconsin

**SUNDAY - March 4, 2012**  
**Noon (Lunch) • 2 - 4 p.m. (Show)**

**R**iders in the Sky is a multi-Grammy Award-winning Western music group whose music is firmly grounded in the rich American music traditions of such legendary cowboys singers as Gene Autry, Roy Rogers and the Sons of the Pioneers. Their fun-filled performances have enchanted audiences of all ages!

The Riders have single-handedly revived and revitalized an entire music genre since they formed in 1977.

Of greatest significance, however, is that in 1982, Riders In The Sky became the first exclusively Western music artist to join the Grand Ole Opry.

The humorous aspect of the Riders, of course, is inherent in their identities. Guitarist Ranger Doug, "Governor of the Great State of Rhythm," sings lead

and baritone vocals and is a yodeler of breathtaking technique.

Upright "bunkhouse" bassist Too Slim is easily the sharpest wit in the West. Besides his superb bass playing and comic genius, he has inspired thousands to whack out tunes on their faces.

Woody Paul, "King of the Cowboy Fiddlers," sings lead and tenor vocals. When not dazzling Riders fans with his fiddle, he's thrilling them with intricate rope tricks which he swears he'll get right before his career is over.

Accordianist Joey, the Cow Polka King, "plays both ends against the middle," as they say on his "stomach Steinway."

Back by popular demand, Riders in the Sky is sure to delight you once again and if you've never had the cowboy experience — you're in for a surprise!
