**Lincoln Park Zoo** is a world of wildlife in the shadow of skyscrapers. Located just minutes north of Chicago, the zoo has been a natural oasis for generations of animal lovers who visit the zoo to hear a lion's roar echo off nearby apartment buildings, see gorillas climb trees as the Willis Tower looms in the distance or forget where they are as they immerse themselves in tropical rainforests, dry-thorn forests or spacious savannas.

If the Zoo is not your cup of tea, take a journey to the **Lincoln Park Conservatory** where you will find tropical palms and ancient ferns right in the heart of Lincoln Park. Designed both to showcase exotic plants and grow the thousands of plants needed for use in the parks, the Conservatory offers a tropical experience within its four display houses: Palm House, Fern Room, Orchid House and Show House.

After our time at Lincoln Park, we head toward **downtown Chicago** where we board a **Chicago Double Decker Bus** for a **2-hour guided Signature Tour** of Chicago. The Chicago Trolley & Double Decker Bus Company is known for its amazing narrated tours of Chicago hosted by some of the best guides and entertainers in the business. After all, they do not hire drivers and teach them to entertain and guide you; they hire entertainers and teach them how to drive! We will have some of the best seats around to see the sights and hear the stories of everything that is uniquely Chicago!

Our final stop in Chicago will be for some **free time** at **Navy Pier**. Whether you want to visit the Smith Museum of Stained Glass Windows, stroll through the magnificent Crystal Gardens, maneuver the Chicago Funhouse Maze or see the view from atop the Navy Pier Ferris Wheel, is entirely up to you. (Admission required for some activities.)
