

WAUPACA COUNTY WONDERS

Tour 13321
Thursday • June 15, 2017

Our day begins with a tour of **Rawhide Boys Ranch**, just south of New London on 700 acres of picturesque property. See why so many young men benefit from the love, support, training, and mentorship they receive at the ranch and the projects they undertake while living there. We will see a **presentation** in the auditorium and then be taken on a **guided campus tour**. **Lunch** will be served before our departure.

For our next stop, we step aboard the **Chief Waupaca Sternwheeler** for a **1½ hour narrated cruise** of Waupaca's beautiful **Chain O' Lakes**. The most enjoyable way to view the beauty of the Chain O' Lakes is on a boat tour. Enjoy the scenery and learn the history of the lakes while on board the narrated cruise. Learn about the glacial impact, the wildlife, the islands, and the folklore of the lakes while appreciating their natural beauty.

Our final stop of the day will be at the **Red Mill** on the Crystal River in King, WI. The Red Mill has a lovely gift shop where you'll find arts and crafts, old-fashioned candies, candles, books, and many other unique items. You'll also want to take some time to explore the grounds of the mill, which are beautifully landscaped and include a covered bridge and quaint wedding chapel. This is sure to be a fun and relaxing day you won't want to miss! **L**
