Day 1, Saturday

Traveling west across Wisconsin, our first stop is the **Norske Nook Restaurant & Bakery**. Since 1973, Norske Nook's restaurant, bakery, and gift shop have been providing western Wisconsin with "tastes like grandma's" cooking and "feels like home" service. Make sure to save room for one of their award winning, made-from-scratch pies! Next we make our way to the historic Osceola Depot where we **board the Osceola & St. Croix Valley Railway train** for a round-trip excursion traveling through the beautiful St. Croix River Valley.

Hotel accommodations for two nights are in Hudson, WI. **Dinner** and a lively **performance** (to be announced) await us at the adjacent **St. Croix Off Broadway Dinner Theater**. *L, D*

Day 2, Sunday

This morning we visit **Interstate Park** and the **Ice Age Interpretive Center** where we view exhibits and a short movie that will inform and inspire us. In Stillwater, MN, we board a riverboat for an exciting "**Jazz Me**" **Cruise along the St. Croix River**. This cruise features "The Emperor's of Jazz," who have been performing on the Stillwater River Boats for years and always draw a crowd. While on board, we also enjoy a delicious **lunch buffet**. After the cruise, we visit **Cracked Barrel Winery & Vineyard** where we are treated to a **tasting** of their great selection of red and white wines. *B, L*

Day 3, Monday

A fun and exciting attraction awaits our group in Wausau, WI - **Willow Springs Garden** where you can become a part of Wisconsin's dairy heritage. After **making our very own mozzarella cheese, butter and ice cream**, the Garden's staff will then prepare **lunch** from the products we've made while we see how one of the last remaining round barns in the state has been moved and preserved. By late afternoon we return to our home destinations after a great three days of touring. *B, L*
