Included in our stay is a **dining voucher** to be used at their on-site **Dream Catchers Restaurant** featuring a full menu along with a salad bar and buffet. **D**

Day 2, Wednesday

We head for our destination crossing the **International Bridge** into **Canada**, where we board the **Algoma Central Railway**, one of the most popular train tours in North America. This one-day wilderness excursion will transport us 114 miles north, over towering trestles, alongside pristine northern lakes and rivers and through the awesome granite rock formations and vast mixed forests

of the Canadian Shield. While viewing the **Agawa Canyon**, created over 1.2 billion years ago, we also get to enjoy an included **lunch** in one of the train's dining cars. As the train pulls to a stop at Mile 114, you'll have an hour and a half to experience the pristine beauty of **Canyon Park** up close. **B, L**

Day 3, Thursday

Come aboard Miss Munising and discover the **shipwrecks of Lake Superior** in Munising, MI. A **narrated Glass Bottom Boat Tour** will give us the history behind the industrial ages of American shipping through a natural underwater museum including a rare, fully intact, wooden sailing ship that was built before the Civil War and sits only a few feet from the surface of the lake. An early evening return is expected. **B**
