Swing batter, batter, swing! We take you out to the ballgame when you join us and a stadium full of loyal fans as the hometown favorite **Milwaukee Brewers** take the mound against rivals that are sure to come out of the dugout a-swingin'! We have wonderful **Loge Infield seating** for these afternoon showdowns so you won't miss one crack of the bat.

Feel the excitement and energy all around as we join the mass of Brewers' fans in cheering on our beloved home team to victory.

Miller Park, home of the Milwaukee Brewers, welcomes fans of all ages to experience first-hand all the traditions of Brewers' baseball. Join Bernie the Brewer and the Brew Crew in cheering the home team on to victory. Enjoy the follies of the Klement's sausage race after the sixth inning. Sing and dance to *Roll Out the Barrel* during the seventh inning stretch...crack open a cold one, grab a brat and don't forget the peanuts and Cracker Jack[®]! These are wonderful summer games to take along the kids, grandkids, nieces and nephews. And remember, Miller Park has a state-of-the-art, retractable roof in case Mother Nature isn't on our side for the game. Start a tradition that will last a lifetime!
