It's a familiar story - running around with a gang, late-night drinking parties, loud music, out all hours and not getting out of bed until the afternoon. Sue and Richard have all these problems and it's driving them crazy. But it's not problems with a teenager - it's Sue's dad Brooksie! A recent widower, Brooksie and his gang from the Over 60s Club are finding delight in recapturing their youth. Brooksie has moved in with his daughter and son-in-law after the death of his wife Grace. His best friend, Tom, is about to marry the widow Julia, despite her friend Rose's disapproval because Tom is easily influenced and quickly falling under the spell of Brooksie's new unruly lifestyle and motto, "You're only as young as you feel." Despite Rose's protests, the wedding plans move forward until a particularly heavy stag night and several indiscretions later, everything is thrown into confusion and Brooksie suddenly starts feeling his age. **L**

Assisted Living: The Musical • Wednesday, July 18, 2018 • Tour 13496

Welcome to Pelican Roost, a full-service retirement village for those embracing their twilight years (and the wackiness that comes along with them). It's home to some very colorful characters who definitely aren't your average Boggle and Dominoes playing bunch. Pelican Roost is a place where buffoonery lives next door to screwball, just across the way from cockamamie! The show's host couple enters heaven, suspecting their son pulled the plug to get his hands on dad's vintage Corvette. They don't seem to mind; instead, they take the audience on an uproarious journey that celebrates the latter years. This Vaudeville-esque revue will knock you off your rocker! **L**

Squirrels in the Attic • Thursday, August 16, 2018 • Tour 13497

Lindsay Spencer, a free-spirited, single woman in her late twenties, returns to her parents' apartment after she's in a car accident that her father, Charles, feels guilty of causing. Charles dotes on his only daughter, but her mother, Florence, is a more realistic about her daughter's shortcomings. Florence, loving, ordered, lofty, and patronizing, is dismayed to learn that her husband has invited Lindsay to live with them while she recuperates from the accident. When Florence learns that Lindsay's boyfriend, Claude (an aspiring comedian), is also moving in, she's furious! Florence gives Charles an ultimatum: either he un-invites them or she's leaving...for good! The side-splitting conflicts of lifestyle, living arrangements, and Florence's "secret life" not only bring a greater understanding between mother and daughter, but also lead to a hilarious conclusion. **L**

When Carol has a passionate affair with Victor's lawyer, they decide Victor has to die and the audience cheers its agreement. **L**

Nunsense • Saturday, December 15, 2018 • Tour 13499

The show is a fundraiser put on by the Little Sisters of Hoboken to raise money to bury the sisters accidentally poisoned by the convent cook, Sister Julia (Child of God). Updated with new jokes, additional lyrics, two new arrangements, and a brand new song, this zany musical has been videotaped for television starring Rue McClanahan as Mother Superior. **L**
