

CEDARBURG STRAWBERRY FESTIVAL

Tour 12129
Saturday • June 23, 2012

Strawberries mean summer in Wisconsin. Celebrate the most luscious fruit of the season during **Historic Cedarburg's Annual Strawberry Festival**. Join us as we stroll Washington Avenue for Arts on the Avenue events including the **Cedar Creek Settlement's Arts Fair**; **Ozaukee Art Center's Fine Art Fair** and the **Fine Art Fair** at Cedarburg Cultural Center. You can also visit the Marketplace, a fun place to shop, or tour Historic Cedarburg aboard a tractor hayride shuttle if you please.

Lively music all over the Festival's Historic District will feature Top Forty, Bluegrass and Rock 'n Roll. Watch for the **Ozaukee Humane Society's Pet Talent Show** that takes the stage at Cedar Creek Settlement, followed by strawberry contests, including strawberry shortcake eating, strawberry bubblegum blowing and the berry bob.

Schmit's Berry Farm will provide ripe, juicy berries by the quart and festival delicacies feature: strawberry shortcake, strawberry pie, strawberry crepes, strawberry slush, strawberry schaum torte, chocolate-covered strawberries and strawberry ice cream. Sample Cedar Creek Winery's Strawberry Blush Wine and purchase one of their award-winning wines by the glass. After you over-indulge in succulent strawberries, there are dozens of savory food courts all over town. No matter what you choose to do at this "sweet" summer festival, you and your friends are sure to have a day not soon to be forgotten!
