**Michigan Avenue**, also known as **The Magnificent Mile**, is an unparalleled district located in the **heart of Chicago**. An international destination, it is one of the most vibrant and successful commercial, residential, cultural and tourist areas in the United States. It benefits from a unique mixture of uses including beautiful residences, premier retailers, individual boutiques, distinctive restaurants, famous museums, luxurious hotels and landmark architecture. With all that in one area, no trip to Chicago is complete without shopping the Magnificent Mile, the world-renowned retail corridor housing over 460 retailers. Transformed over the course of history, Chicago's Magnificent Mile is internationally recognized as a world-renowned shopping destination. Marvel as the "Windy City" welcomes you decked out in the lights, sights and sounds of its big city splendor.

While there, you have the opportunity to shop areas including: **Water Tower Place**, one of Chicago's premier shopping destinations, hosting an eight-level atrium featuring over 100 stores, restaurants, distinctive specialty shops and boutiques. It offers a unique, high-energy urban shopping experience you simply will not find anywhere else in the city. **900 North Michigan Avenue**, anchored by the world famous 6-story Bloomingdale's Department Store, is home to top brands and stores unique to the entire Chicago market. **Shops at North Bridge** allow you to experience an enticing mix of 50 world-class specialty shops, 20 sumptuous restaurants and one magnificent shopping center anchored by Nordstrom. And let's not forget about **Saks Fifth Avenue** to round out a thoroughly fantastic shopping adventure!
