### Day 1, Sunday

Today we travel by motor coach to Chicago where we board our flight to **Miami, FL**. Upon arrival we will be transferred from the Miami Airport to the Miami Cruise Port to embark on the **Norwegian Dawn** for the start of your enchanting Southern Caribbean cruise. **D**

### Day 2, Monday

A relaxing day at sea. **B, L, D**

### Day 3, Tuesday

This morning we arrive at the port of **Samana, Dominican Republic**. Samana is the Caribbean of 40 years ago, a region that has seemingly shielded itself from the stress and pressures of modern day life. Samana awakens memories of a bygone era with white sand beaches, coconut-covered mountains, lush tropical rainforests and vibrant coral reefs. **B, L, D**

### Day 4, Wednesday

Today we cruise to **Tortola, British Virgin Islands** discovered by Christopher Columbus in 1493. This exotic, peaceful island is home to both towering mahogany trees and white sand beaches. (Optional tour to Virgin Gorda is available.) **B, L, D**

### Day 5, Thursday

This morning we dock in **Phillipsburg, St. Maarten**. With an area of only 37 square miles, the island of St. Maarten is the smallest landmass in the world to be divided between two governments. The southern **Dutch** half offers casinos, duty-free shopping and island culture. The **French** half is all subdued sophistication. **B, L, D**

### Day 6, Friday

We dock early this morning in **St. Johns, Antigua**, where cascading waterfalls, thermal springs and scenic pleasures abound on this ruggedly beautiful island. All can be explored

throughout **Mome Trois Pitons National Park**. Or tour the cobblestone plaza of the **Old Market**, the **Old Catholic cathedral** and **botanical gardens**. **B, L, D**

### Day 7, Saturday

Today we spend the majority of our day at **Bridgetown, Barbados**. The most British of all the Caribbean islands, games of cricket are as common here as the typical island water sports. Visit the third-oldest Parliament in the entire Commonwealth. Stroll the inviting beaches of Carlisle Bay. Tour a rum factory or the historic Garrison Area. Bridgetown is the only city outside continental North America that George Washington visited. The George Washington House, the actual house where he stayed, is now part of the Garrison Historic Area. **B, L, D**

### Day 8, Sunday

We find ourselves docked in **Basseterre, St. Kitts**, today. St. Kitts

was founded by the **French** in 1627, but is a very **British** paradise where cricket and tea are the norm. The dramatic mixed island landscape is rimmed in gold-sand beaches and dotted with well-preserved plantations left over from when the island was covered with sugar cane. **B, L, D**

**Day 9, Monday**

We cruise the sea for the day.

**B, L, D**

**Day 10, Tuesday**

At sea. **B, L, D**

**Day 11, Wednesday**
